

DC24V

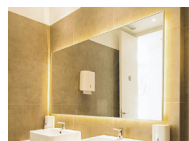

Features:

- * SMD 2835, IP20.
- * LED: 120LEDs/Mt.
- * DC24V with high luminous flux.
- * 5Mt/ Roll with no driver.
- * Can be cut every 100mm.

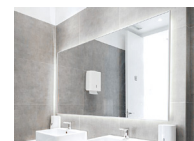

2700K

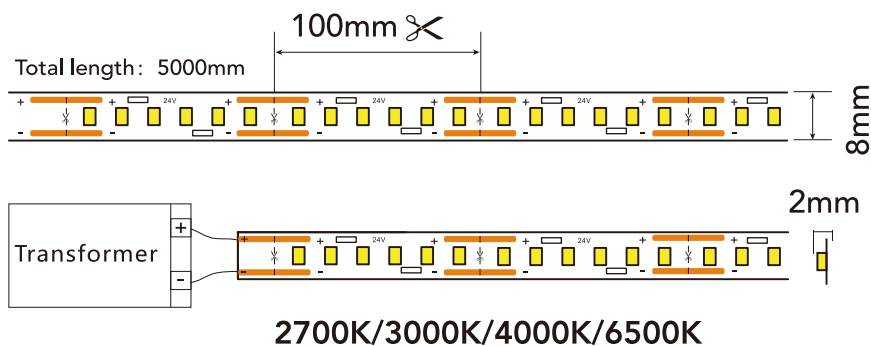

3000K

4000K

6500K

Low voltage product must connect with transformer.

For DC 24V, output voltage can not exceed 24.5V.
