LEGRAND MALAYSIA

MEGAPOWER LEGRAND

Megapower was established in 1990 to serve and provide quality PVC cable management system and wiring accessories. We started production of a variety of high quality unplasticised polyvinyl (uPVC) products in its state-of-the-art factory, located in Selangor, 25KM away from Kuala Lumpur, Malaysia.

In 2011, a joint venture between Megapower and Legrand was formed marking a new association between two well-known brands in the industry. The association of two companies provided a stronger base expertise of one-stop solutions to serve the construction and electrical utilities.

1

Mechanical Protection for durability against compression and Impact forces compliances to IEC 61386-21

CONDUIT TESTED for Excellence

COMPRESSION TEST

Endurability of compressive load over 320N.

2

IMPACT TEST

Resilience to impact forces over 1kg mass of hammer with fall height of 100mm

3

NON-FLAME PROPAGATION

flame extinguished immediately after the source of the flame is removed.

4

ABLE TO FORM 90 DEGREE
with the aid of bending spring

5

HIGH INTERNATIONAL QUALITY STANDARD

Cyber is independently tested to meet the intended design and wiring application as stipulated by international standard IEC 61386 - 21

Delivers Light Duty performance with time saving & lower installation costs for renovation work.

- 1 Manufacturer and/or Brand name identification
- 2 Product Code
- 3 Compliance with International Standard IEC 61386-21
- 4 Sirim marking & certification number
- 5 Exact date and time of manufacture for easy tracking

- 6 2- Compression rating (Rating 2 = Light Duty)
2- Impact rating (Rating 2 = Light Duty)
2- Min. Serving Temperature (Rating 2=-5 °C)
1- Max. Serving Temperature (Rating 1= +60 °C)

GOOD INVESTMENT FOR YOUR EVERYDAY TASKS

After years of innovations in manufacturing, materials, sourcing, processes and distribution. Cyber has optimized cost saving innovation where the products are your daily choice ideal for landed property and renovation projects.

ALWAYS MEET YOUR EXPECTATIONS

Stringent quality control and testing are employed for the International Electrotechnical Commission (IEC) 61386-21 Standard certification, which is the International Standard used for Conduit Systems for Cable Management. The manufacturing facility has also been awarded with ISO 9001:2015 Quality Management and ISO 14001:2015 Environmental Management Systems certifications.

PROVEN RELIABILITY FOR 30 YEARS OF SUCCESSFUL PROJECTS

The most recognized uPVC conduit solution provider in Malaysia that constantly strives for the best quality and services with many reputable successful project references.

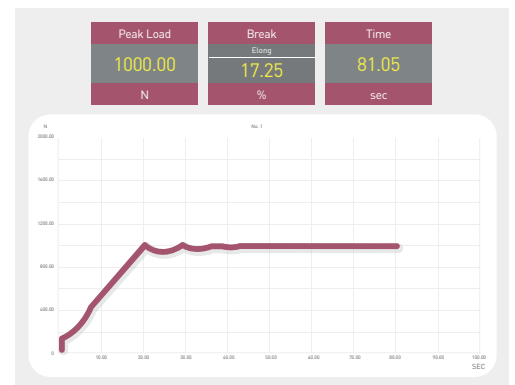

SAVE TIME ON INSTALLATION

Our product are tested under heavier conditions than the normative for an over performing quality that always guarantees time saving for you.
