

FSS833

|| Features

- ◆ Rader Induction
- ◆ Intelligent light control
- ◆ Free wiring
- ◆ Remote Control
- ◆ High efficiency photoelectric conversion
- ◆ IP65 Waterproof, no fear of thunderstorm
- ◆ ABS+PC

|| Applications

- * Suitable for rural roads, residential areas, tourist attractions, parking lots and other places.

Code	Power (W)	Solar panel	Battery	Panel size(mm)	Charging time(h)	Discharging time(h)	Size (mm)	Lighting area(m ²)
FSS833-50W	50	6V 4W	3.2V 2000mAh	214x129	6-8	12-14	330x140	50
FSS833-100W	100	6V 7W	3.2V 4000mAh	302x201	6-8	12-14	420x220	70
FSS833-150W	150	6V 10W	3.2V 6000mAh	436x236	6-8	12-14	575x245	100
FSS833-200W	200	6V 16W	3.2V 8000mAh	530x235	6-8	12-14	670x245	150

① While the weather is clear, the solar panels are unobstructed and perpendicular to the sunlight

② Adjusting the brightness will affect the lighting mode and lighting time
