Made for Every Day

#legrandImprovingLives

 **legrand**®

# Made for Every Day

Work, live, and play. When every day is a flurry of activities in different spaces, **Obria™** can be the constant that synergistically connects every space – for working, living and playing. **Obria™** is made for every day.

White

Silver

Black

Minimalist Aesthetics

Matt Finishing

Vertical Curved Plate

# Made for Distinction

Less is more. That is why there is nothing simple about the design of **Obria™** – from the front view to the side profile. Every detail down to the curvature of the plate is designed to exude unique, understated style and modernity. You can't go wrong with **Obria™**.

## Elegant Profile – slim & clean lines

### Curved Plate

The slightly curved plate goes hand in hand with the slim profile.

## Minimalist Aesthetics – no frame & full plate

### Borderless rocker

The vertical curved borderless switch rocker is smooth to the touch and optimum for natural operation.

An attractive range –  
classic and modern all at once

# Made for Harmony

Style is personal. There is no reason to settle for less or follow the crowd. Every style should be celebrated. With **Obria™**, colours are kept neutral so that **Obria™** blends right in whether you are going for strong contrasting colours or soothing harmonious tones. You have the final say.

# Made for Versatility

In life, there's only room for the things that matter. **Obria™** is the perfect illustration, always versatile, always ready to meet every need for every use case in every space - in the home, at the office or working from home

1-gang British Standard socket with USB Type-C fast charge feature (Power Delivery)

Fast-charging power delivery reduces charging time

Optimum voltage supply to avoid overcharging

Cuts off power delivery upon full charge for more efficient energy consumption

Maximises battery lifespan and user safety

### Time Saving

Large terminal capacity allows for quick and easy wiring.

### Robustness

The one-piece structure of the base and support, combined with the ribbed pattern, makes the switch strong and sturdy.

# Made for Efficiency

Timely completion and quality delivery – totally possible with **Obria™**. Made for quick and easy installation regardless of site condition or installer experience, **Obria™** is every project manager's dream come true. When you choose **Obria™**, you choose productivity every day.

### Universal Screw Heads

Only one screwdriver head is necessary for both wiring and adjusting **Obria™** during the installation.

### Easy Adjustment

Oblong shaped holes make adjustment fuss-free when the switch is not straight.

### Safe and Fast Installation

No access to metal parts during installation combined with the one-piece plate/mechanism means installation can be completed in three simple steps.

### Ordering Made Simple

1 catalogue number =  
1 complete product
