

ROTARY HANDLE ISOLATORS

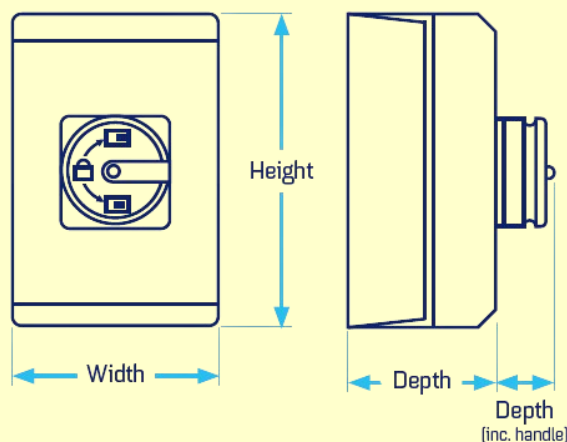

Henly Enclosed Isolators offer quality with economical price. Made from High Quality Durable ABS Plastic Material and firmly sealed to IP65 rating,

Henly Enclosed Isolators are tough and durable and suitable for most applications. Specifically designed with safety in mind, our Rotary Handle Enclosed Isolators only open in the off position, and include additional earth and neutral connections.

Henly Isolator enclosure boxes come with multiple gland knockout holes, making them exceptionally versatile.

Henly 3 poles from range from 25A to 150A as standard, and IEC60947 compliant,

Details				Dimensions (MM)			
Model	Pole	CURRENT	IP	Height	Width	Depth	Depth (Inc.Handle)
HENLY-3P-025A	3	25A	IP65	125	100	88	35
HENLY-3P-040A	3	40A	IP65	175	115	100	35
